**Two Questions: What's the best way to research retirement planning strategies?  
And how do I present the options to my clients?**

# One Answer: NUAnswers

By combining the expert-authored tax and retirement information from National Underwriter, with the highly effective client presentations from Advisys, NUAnswers powers your retirement planning presentations with confidence and accuracy.

Completely current and cutting-edge, NUAnswers gives you instant access to...

- The latest retirement planning content
- The most relevant research materials—Over 160 editorially pre-selected resources
- Hundreds of customizable, easy to understand client presentations—Over 270 of the most informative and effective client-facing documents
- And so much more!

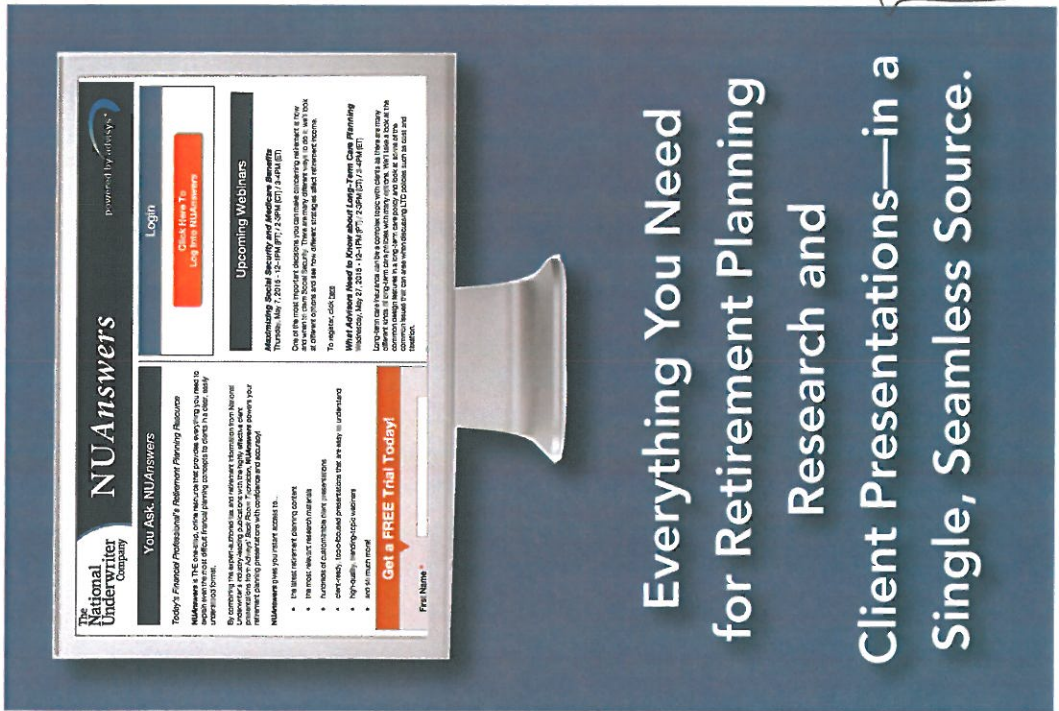

*Educate yourself before you educate your clients.*

*Then create compliance-approved presentation materials in just minutes.*

With NUAnswers—only from The National Underwriter Company and Advisys
